1881 **PLAY AREAS**

No Issues were raised other than that the Path through the Weston under Lizard Play Area was beginning to be narrowed due to it becoming overgrown from the sides. As this was the Bradford Estates land Cllr G Carter was to see Estates representative to get this amended.

1882 **FOOTPATHS AND HIGHWAYS**

Cllr M Stokes said that a Bridal Path had sunk by lane adjacent to the Lower Brockhurst Barn Conversions after the dogleg right into the field.

Cllr D Maddocks to send the Parish Clerk a list who would then send it to Cllr M Sutton.

Cllr M Stokes said there had been complaints of excessive speed of traffic from the A5 to High Hall. Cllr B Cox said best to raise it with Cllr M Sutton.

Cllr G Carter raised the issue of the proposed Rail Freight Interchange at 4 Ashes. Though it was recognized that it was out of the Parish Councils area there would be a knock on effect for the area and wanted to know what the SSDC knew of it. Cllr B Cox said that SSDC would be objecting to the plans but that it would be going to the Secretary of State for the decision. The finished facility would mean 10 plus trains per day with large numbers of Heavy Goods Vehicles that would then distribute the freight. This would be many extra hundreds of vehicles on the A5 by Gailey and the A449. He said there was a consultation meeting on the 1st November. Cllr G Carter asked if it was possible to attend. To which Cllr B Cox said he would try to get access for 1 or 2 Cllrs, but he would get a report back for the next meeting.

RESOLVED: That the Parish Clerk to write to Cllr M Sutton with the Signage and A5 to High Hall speed issues.

The issue of Pot Holes – to be carried over to the next meeting
